

Sudarshan Anbazhagan

Fractional CTO | AI & Platform Strategy

Executive technology leadership for growing businesses across the US.

“ I don’t manage technology. I make it accountable.

I partner with CEOs and leadership teams to align technology with business goals, reduce risk, and unlock sustainable growth.

THE REALITY IN GROWING BUSINESSES

WHO I HELP

15+
YEARS
Technology Leadership

14
COUNTRIES
Global Experience, Local Impact

300+
PROJECTS
Delivered Across Industries

50+
COMPANIES
Advised across Legacy Businesses & Startups

NO VANITY METRICS.
Only outcomes that matter.

SOLUTIONS I OWN. OUTCOMES YOU GET.

01

Fractional CTO Engagement

Strategic technology leadership when you need it.

I own your technology direction, key decisions, and execution priorities — without the cost or complexity of a full-time hire.

- ✓ Clear ownership
- ✓ Faster decisions
- ✓ Technology aligned to growth

02

Tech Due Diligence

Make confident technology decisions.

I evaluate architecture, teams, technical debt, risk and scalability before you invest, acquire or transform.

- ✓ Know the risks
- ✓ See the gaps
- ✓ Decide with confidence

HOW WE WORK TOGETHER

EXECUTIVE STRATEGY SESSION

Bring your most important technology challenge. Leave with clarity and direction.
